Dear Area Resident,

Re: Presentation and consultation concerning the 800 Montreal Road redevelopment

Canada Lands Company CLC Limited (“CLC”) is pleased to invite you to an information session on the redevelopment of its 10 acre property at 800 Montreal Road. After many months of planning and communications with area residents, who helped the process along with their questions and comments, we are now ready to share with you the preliminary plan for the redevelopment of the site.

At the information session a preliminary redevelopment plan will be presented and you will have an opportunity to meet CLC representatives and some of the professionals who worked on the plan. For us, it will be a chance to answer your questions and gather your feedback, which will assist us during the preparation of the final redevelopment plan.

When: Tuesday, April 7, at 7 p.m.

Where: La Cité collégiale
801 Aviation Parkway
Building E - Room E1070

Once the redevelopment plan has been finalized, CLC will pursue the applicable municipal approvals with the City of Ottawa.

We hope to see you on April 7th. In the meantime, you can contact us by telephone at 613-941-5843 or by e-mail at 800montreal@videotron.ca.

Yours truly,

Norm Jarus
